## MUNICIPAL COURT OF OSSIPEE

To the Selectmen of the Town of Ossipee:

I submit the following report of the Municipal Court of Ossipee for the year ending December 31, 1944.

Cash receipts and balance on hand from previous year	\$1720 65
Payments	1666 55
Balance on hand	\$54 10

Payments are divided as follows:

Motor Vehicle Department	\$144 15
Fish and Game Department	587 10
Town of Ossipee	209 00
Sheriffs and Police Officers	471 50
Witness Fee	3 90
Justice and Special Justice	152 90
Collections on Small Claims	77 14
Miscellaneous Payments	20 86

During the past year the Municipal Court has had 57 cases or an average of more than one per week. This excludes the juvenile cases. There were 16 Motor Vehicle, 8 Fish and Game, 3 for sale of liquor, 7 for larceny, 3 for assault, 6 for drunk and disturbing, 6 for breaking and entering, 3 for neglect of children and 5 bound over to the Grand Jury.

There appears to be an increase in juvenile delinquency, which has spread over the country, according to all reliable reports. So this area is not an exception.

Under war time conditions, people are all working and do not have time or gasoline to get into trouble. There is little economic pressure to steal. It is regrettable that all law enforcement officials are

unanimous in predicting a substantial increase in Court activity as soon as the war is over.

I take this opportunity to thank the Associate Justice, Charles E. Smart, for the able manner in which he has carried on the Court during my absences from town.

PARKER M. MERROW  
Justice

### COMMUNITY HOUSE

As of February 20, 1945, with all bills paid, there was on hand \$228.45.

With this money on hand it would seem wise to do some painting and repair work on the house, as rentals will carry the ordinary expenses.

The Hall has been used for many meetings, of various types of organizations during the past year, and has been a sound asset for the town.

PARKER M. MERROW  
Trustee

### OSSIPPEE NURSING SERVICE A. R. C.

This year our clinics have been held. Fourteen dental sessions were held and adults had the privilege of having work done. Two child health clinics were held with Dr. Dube, examiner.

A T B clinic was held under Dr. Kerr, who used a portable machine for x-rays. Twenty-two x-ray pictures were taken. The tuberculosis patch test was used on all, or made available to all school children. No activity was found. Mrs. Boutwell, state nurse, was in attendance and received splendid cooperation.

Volunteers from the high school gave thirty-three pints of blood at Huggins Hospital for the fire victims.

Ten certificates were awarded to the girls taking the home nursing course. The course is still available to adults and an instructor will teach a class in the spring if there are applicants.

Respectfully submitted,

BLANCHE M. BUSWELL

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Ossipee:

In submitting my second annual report I consider our most critical problem the employment and retention of qualified and experienced teachers. The acute manpower shortage throughout the country is being keenly felt in the employment of teachers. The reports indicate, unless a favorable change in world conditions occurs, that it will be more difficult to hire teachers for the school year 1945-46 than it was for the current year.

We have the following teachers in the Ossipee District: Phil A. Bennett, Headmaster, Ossipee High School; Evelyn Downs, High School; Bettina Dalton, High School; Alice Merrow, Grades 7-8; Lillian Godfrey, Grades 5-6; Madeline Gardner, Grades 3-4; Alice Loud, Grades 1-2; Martha McDuffee, Ossipee Corner; Leda Knapp, Moultonville; Ethel Whiting, West Ossipee; Marion Davis, R. N., School Nurse.

The School District received a total of \$3,340.33 from the state for aid in meeting the cost of the elementary schools, amounting to \$20.74 per elementary pupil. The amount which will be available for next year will partially depend upon what the present legislature appropriates. The National Congress is considering a Bill which would grant to New Hampshire nearly a million dollars for our state's educational program.

The State Grange at their annual meeting in Laconia pointed out the need for keeping well-trained and experienced teachers in New Hampshire. Their recommendation stated that "all available means" be used "to keep our teachers in New Hampshire rather than losing them to other states that offer higher salaries soon after they are well established in our schools."

Ninety-two per cent of the pupils in Ossipee received the tuberculin test. Dental care was available for all pupils in the outlying schools and a large number of them in the Center. This important dental work will continue again this year.

It seems desirable that the High School program of studies be broadened to include some practical course or courses. When machines are available, I recommend that consideration be given to the introduction of a commercial course. General education faces the challenge of teaching better the fundamentals of character so important at all times but now more necessary than ever before.

This war-torn era is straining the foundations of our social institutions for the boys and girls even more than for the adults. The future of America lies in the development of a strong, industrious character in each boy and girl. This is the great challenge to every parent and teacher. The recent report of the Governor's committee on vocational education said, "The schools must help man to learn both to make a living and to make an art of living."

Respectfully submitted,

HAMMOND A. YOUNG

February, 1945.

Superintendent of Schools
